My beautiful sister God has come to take you home. You were always there for me and probably will be in spirit. You were the head strong one but the one you could cry on her shoulder if needed. You were always concerned with what everyone else needed. Well I guess I will have you talk with you spiritually I have to keep my gossip partner in crime we would talk about crap and sit and laugh until you would get tired and tell me to call back later. When I would call back I would sing our favorite song HELP ME RHONDA HELP HELP ME RHONDA we would laugh. I am going to miss you big time girl I love you very much. Save me a seat I will be there one day and we can catch up on everything.
