Harry James Warren, Jr. "Solo" was born October 27, 1978 to Harry James Warren, Sr. and the late Rose Marie Reese-Warren in Nashville, TN.

He is preceded in death by his grandparents Robert and Frances Marie Reese, Sr. and Earl and Clara Bell Warren, Sr.; one daughter Kariyonna Warren, grandson Sidney (SJ) Jones, four uncles and his four legged fur baby, "Dunkin".

Harry was baptized at an early age. He received his education in Metro Davidson County School at Pearl -Cohn High School with honors. He continued his education at International Academy of Design and Technology. He was also employed as an independent contractor for Amazon.

Harry was known to his family as Lil Harry, but to his friends, they called him "Solo". He was a loving, kind, caring and very strong man who had a heart of gold. His scorpio demeanor was undeniable, you could tell by his addiction to his Jordans and fashion which was the key to his swag and if you knew him, you know exactly what that meant.

Harry loved basketball, video games, but most of all, music. It was his escape that helped him to ease his mind for hours at a time. Then we would see his smile that would light up the whole room. Harry loved his fur babies, Moma Six (SB), Jordan and Deuce like they were his children.

Harry's major health issues stated in the late 2010 and he continued to fight his illnesses everyday after that but through it all you would never know all that he endured on his journey. He touched the lives of everyone he met and will be truly missed.
