Amanda Shell sent a virtual gift in honor of Joshua.

I am so sorry to see you go, leaving our daughter without you to walk her down the isle or to help her in raising our beautiful grandchildren. Nova is really going to be lost without you. I know your love for her was unconditional and the love she has for you has never waived. We are really going to miss you, but I promise I will tell our grandchildren what an amazing paw paw you were and that you loved them with every bit of who you were. Life will be sad on those days when Nova expected you to be there, and on those days, I will be there for you and I both. I know how much you loved our little ray of sunshine. You are missed and loved Joshua Lee Mitchell.
