Starr (Nana) Mans posted:

There is no wall large enough to show a tribute for my baby girl. My little sunshine girl was the most amazing girl i have ever met in my entire life. I have 3 young men of my own that their father and step father and myself raised beautifully. Being the oldest brought this little girl to us. Once this little girl was born into my life, I knew I was complete! I had no words that I could come up with when she shown her little face into my dark world. Besides my three boys (one of is her father) I have never known love like I do after becoming a mother, but becoming a grandmother, the extra love I have she may have been my own daughter. That is the only other way for me to explain my love for Little Leilani. THIS LITTLE GIRL IS MY SUNSHINE GIRL! she always will be. I can always look up and see the sun or the stars and I know she is there for me, just ready for me to sing her very specials son I sang everyday to her.
