Rick and I went to bootcamp together, and on to our A school in Millington TN. He was so kind, and allowed me into his family circle, by going to his family residence near Nashville, on many weekends. I know this is years later, but we lost touch, and I tried to track him down, but no luck. He was a genuine soul, taken much too soon..Sincerely, John Lavelle

I was partnered up with Rick for 10 years at Metro. He was the lead man on our route and I learned a lot from him. Doesn't seem like it's been 3 years. We still talk about him at Routes. The good times we had and the work we did. He isn't forgotten. And just in case he's looking down and reading this, we STILL haven't gotten the new truck...
