I love and miss you dearly. I wasn't ready to let you go then and I am still not ready to let you go. I am trying so hard to be strong, but I'm not. We loved each other for 48 years you were my rock. You are missed by so many people. If heaven had a staircase to heaven I would be there with you right now. I needed you here with me. I was the one who should have went first not you. I love you more than you will ever know. I will never be the same without you. I am trying to make you proud of me. Until I see you again I love now and forever
