Nova June Groover Pursell- age 92 of Goodlettsville went to be with the Lord on Friday, April 8, 2022.

Her precious late husband, Raymond Aubrey Pursell, preceded her in death in 2011. She was greatly loved by all of those she left behind, which includes her two daughters and their husbands; Beverly Pursell Dycus and Glenda Pursell Clark; and Michael Dycus, Sr and Don Clark. They were also blessed with five amazing grandchildren: Chandra Merryman (Mitch), Justin Orme (Tricia), Michael Dycus, Jr., Cory Dycus (Samantha), and Grady Dycus (Casey). From them would come nine wonderful great-grandchildren: Elle, Maggie, Zoe, Madelyn, Jackson, Evie, Eden, Emmaline and Ella Gray. Also left to treasure her memory is a myriad of extended family and friends.

She was born in Lincoln County Tennessee to the late David and Freda Holmes Groover. In 1947, she moved from the small farming town of Elora to the big city of Nashville after graduating high school. After finding work for an attorney, she happened to meet a young man one day on a bus ride home, who had recently returned from a stint in the Marine Corps while serving in the Pacific Theater in WWII. That began a love story that continued for more than sixty years.

Much of her working life was spent at Sears in downtown Nashville, where she retired. She considered Bellshire Church of God of Prophecy her church family.

A heartfelt 'Thank You' from the family goes to her caregivers: Faye Morphis & Kim Bates; Shalonda Herbert and Christine Ozanne (Be Blessed Home Care); and all those who cared for Mom at home from Aveanna Hospice. Thank you for loving her along with us.

My condolences to all of June Pursell's family and extended family. When I told my brother of the loss of our dear aunt he replied "a true Southern Belle has past..." and that was our picture of our Aunt June. She was a genuine Southern Lady - beautiful and proper and, as was said by another person on this wall, ready to lend a helping hand to anyone who may be in need and in view. We all thought Aunt June was beautiful and it's a joy to see her the way we remembered her in these photos up to the current photos, with the same sweet smile. She always looked happy and would talk to us kids - something not all the adults did at that time. But she was also strong, and you can see that in some of her photos, as well. I was fortunate to get to visit with her a couple of years ago, when she was recovering from treatment in the hospital and we must have watched 6 of those home makeover shows. It was fun just talking to her about what changes they should make while also catching up on all the family members and how everyone was doing. She was from my mom and dad's era and you could hear a mother's care and concern with each question she asked about our family. I miss you, Aunt June - you with your easy and graceful ways, and the quiet way you used to stand by your husband. I wish I could have gotten to Nashville to see you one more time - but I trust I will see you again and give you a squeeze to beat the band! Lovingly, Leighnae

Our wonderful, soft spoken precious Aunt June; I don't ever recall her face anything but gentle smiles and pure loving softness in seeing to someone's possible need. How previously, she cared lovingly for her mother and daddy has been carried on in the way her daughters have cared for her. Aunt June will never have another care, or pain or sadness. She has gone to the place we all want to enter and be with our Lord Savior, Jesus the risen Christ. You will be missed by any and all who have loved you, Sandi Groover and Richard Helton
