Amanda Kay Bryant, 32, of Lebanon, Tennessee, passed away on Wednesday, May 4, 2022. Born March 5, 1990, in Nashville, she was the daughter of Freeman 'David' Bryant, Sr. and Christina Lynn Nasalroad.

Amanda had a great sense of humor but could also be very stubborn, a true Bryant through and through. She loved her sons dearly, enjoyed being a baby sister, was a daddy's girl, and was her mom's 'ride or die'. She loved being an aunt and was known to her nieces and nephews as 'man man', a name that was given to her by her niece Kelsey with whom she shared a special bond. Her family will remember her for her love of music, care bears, and coloring books.

She was preceded in death by her paternal grandparents R.D. and Fannie Fort; maternal grandmother Linda Towns.

She is survived by her sons Carson James Bryant and Gavin Lee Lins; mother Christy Chaffin; father David (Jessie) Bryant, Sr.; brothers David (Heather Toms) Bryant, Jr., Matthew Carder and Brandon Carder; sisters Brittany (Travis) Pace and Brittanay Pressley; husband Kirk Hunyadi; maternal grandfather James (Pat) Nasalroad; and several nieces, nephews, aunts, uncles and cousins.

Visitation will be held on Monday, May 9, at Spring Hill Funeral Home in Nashville from 4 pm until 8 pm. A Celebration of Life Funeral Service will be held on Tuesday, May 10 at 12 pm noon with Isabella Williams officiating. Burial will follow in Friendship Freewill Baptist Church in Ashland City.

Christy, you are a Towns, through and through. We have all been through trials and tribulations, but Christy I want to tell all what a terrific mother, daughter, grandmother and niece you are. One of the hardest working women I know. Stay strong and if you need me I'm here. I'll love you forever. Never forget. God loves you most of all. Sandra

We haven't seen each other in years but I will always remember the good times we had growing up. My favorite childhood memories were with you & Brittany. We spent many nights at the skate center, running around laughing and joking, driving your parents crazy! I love you, Amanda! Rest In Peace.

I don't really know how to start this conversation. But I want people to know that you are one of a kind. You had your troubles...but we all do. You will always be my baby girl. People said the reason we had heated dis agreements was because we were so much alike. That makes me so proud for them to say I was like you. You will always be with me. Love you always. DAD

I always remember partying at Andys and you would show up and be the life of the party. I can't put into words how I feel right now because I've never felt this much pain ever. I remember your and Kelsey's bond. There's so much I remember but not enough space. Just know I will think of you everyday. You'll always be my little sister. And I'll always love you. Make sure everyone in heaven has a good time with you. I will see you again. I love you so much

Amanda was always the life of any gathering. She was so stubborn but man did she have a heart of gold. Even though she is my little sister she was the one I always turned to for advice or to just vent and then she would tell me what she needed to tell me and then turn right around and make me laugh. She was always there when you needed her to be, she was just that type of person. This isn't how it's suppose to be. We were suppose to grow old and the 3 of us arguing over arrangements on mom and dad that's how it is suppose to be. I love you little sis! I promise I'll always talk to you every single day! Fly high my sweet sister

manman always had a smile. She would never let you down, never let you go without a smile. She was always laughing or was making you laugh. I remember as a little kid I would only go to my parents and her and wouldn't go to anyone else. Amanda was my pride and joy and the person I ran to about everything . I still can't get it through my head she's gone. I love you manman. Ur t will forever stick around. I miss your laugh and joy . Fly high my angel.
