Today we are sad to learn that Fashion is for Every Body has lost an important family member. Patrick Webster photographed every one of our shows from the very start in 2016. He has been a strong supporter of our cause and body positivity in general. He died on June 6th at Vanderbilt Medical Center. He is irreplaceable and will be missed.

Jimmy Guthrie posted:

Patrick I love you brother, you are part of the reason that I am who I am. From 1988 till now you have always been who I compared myself against simply because of your personality and willingness to call it how it is. I'm a shadow of you but I swear that you will never be forgotten my friend and my brother.
