Laurel was just the best. I loved her commentary & her own way of being sassy. Once she opened up, her humor had me literally laughing out loud. I cherished our afternoons together at school. Laurel was so brilliant. Her love for animals was very apparent during some of our talks. I will miss her so much!

We spent many happy hours with Laurel sitting in camp and talking while all the soldiers were out fighting. She was very intelligent, kind and interesting. She had a big heart. She will be very missed. Our hearts go out to Todd, Dawson and all of Laurel's family during this time of sadness.
