Everyone always loved to visit Janie. The excitement would Roar though the house! My memories are connected with water always a pond or lake worthy of fishing. These memories and the sound of her laugh will always put a smile on my face.

Great Aunt Janie was so much fun... there are so many good memories that it's impossible to list them all. Teaching us how to fish, laughing until we cried. I love her so much and she will be missed dearly. Love you all and I'm sorry I couldn't make it out there to say goodbye in person.
