Sue is my sister in law. We were always good friends. Went on serveral vacations with her and my Brother. After my Brother passed and then my Husband it was like we were always there for each other. Hospital every Thursday. Until she got where she couldn't eat we would stop for lunch. She loved Hobby Lobby. Just about every time we were out she would want to stop there. We were good for each other. I will surely miss her during Football season. Every Sat. Morning she would text me the schedule for the day. Every team, time and station. On Sundays we would watch the Titans. Rest in peace dear Friend. ❤️
