Thinking about my grandad today , me & Jamie went for a walk and just wanted to drop a little love I had left off , I know always had our rocky times & how awnry I've been throughout our lives , yet never learned how to properly express it. I won't forget when you had dementia on the last birthday I had when you were alive & remembers to give me 20\$ like when we were kids. I won't ever forget that. Gone, but never will be forgotten you were a good man. - your grandkid.

Fred, was coworker/friend for 20 years at the Opry. Fred was quiet in nature. When he spoke it was with great wisdom. Johnny
