My Granny...where do I start? A few of my most fondest memories of her would have to be coloring, playing jacks, her LOVE for jewelry and ALL things fashion (which every granddaughter of hers inherited), her "cakes" of gum, her love for doing the dishes, her love for food, her innocence, her smile, her laugh, her love of talking on the phone, and her absolute LOVE for animals and taking care of them. So many beautiful memories I will always keep in my heart. ❤️
