Lisa, So sorry for your loss. What a special Lady she was! I have so many memories of her and my mom. I do not think she ever really knew what a comfort she was to me the day Moma passed. Mary Ann and Don showed up right as Mom took her last breath. Mary Ann said she just had a feeling of a need to get to the hospital to see Mom. What happened is she was there right as I needed a mother's shoulder. Her hug that day helped get me thru the hard days ahead. Please know you are in my thoughts and prayers.

To know Mary Ann Masters was to love her. She was the most giving, caring person I ever knew. Whenever there was a need... a casserole for the sick or grieving; warm clothes for the homeless; a helping hand to anyone in need that she could provide...you could count on her. She will be greatly missed. Lisa and Mark, Tim and I will continue to lift you in our prayers. We love you!

I will miss her. The neighborhood will miss her! She was a light that guided people. I was so impressed when just a short time after Donnie passed away she threw a "tea" for the ladies of the neighborhood. She recognized that the neighborhood was changing. Many new young people moving in. She created an event that helped us all meet each other, those who had been here quite awhile and those who are new. She gave in this amazing way, when others may have still been wallowing in their grief. Her heart for others was amazing. She once asked me if my church had a good youth group. She then asked me to invite a person she knew who had a teenage son, to my church. She was not interested in which church that family went to as much as if the church would be the right fit for their needs. Not everyone thinks like that. She's definitely one of those people whose life represented the love of God to others.
