Yes, Earl was my best friend since he retired from the Tyson meat company. We used to go out almost everyday shopping. He was a very caring person, which I'll miss. My beloved dare neighbor.

Earl and I first met at Hume Fogg High School. We both started out working at Vaughn Mfg Co . I would sometimes ride to work with him . We managed to stay in touch throughout the years, especially about the last ten years or so. Earl would call at least once or twice a week (as he did several other of our school buddies) if I didn't hear from him for a week I would call him. Earl sure liked to stay in touch with his school buddies. It's been more than a week now and we sure miss those phone calls Earl.RIP Buddy.David & Pasty Pruitt
