Kristie had a big personality, big smile, and a big heart. There is a little girl in our family and her mother was terminal. Kristie made sure at Christmas, our special little girl whose mother has passed, made sure she had more than enough clothes for school. Kristie was a special type of person and I'm glad to be her Aunt

So many memories I can't count. One that makes me laugh out loud even now. Christmas dinner everyone brings a dish. Kristie's was potatoes. She walked in and put a bag of Idaho Potatoes on the kitchen island and said "brought potatoes! the look on her Mothers face was priceless
