Norman Alan Himes posted:

I remember Pat as a gentle honest man that had a true love for Fire Protection and a warm yet stern friendship and understanding of his associates and all of the employees a T&K Fire Protection. Pat, his father Fritz, George & Alvin Escue, and Eli LaLand are the first group that I worked with in Fire Protection at T&K where I learned Fire Protection in the proper and honest way and how to love it as much as they did. Pat was a true leader and very instrumental in helping to build the identity of Automatic Sprinkler Fire Protection as it is known today in our area. I am forever thankful to Pat and all of the original T&K group for teaching me all that they did and setting my career in motion. Respectfully, Norman A. Himes
