Mr. Michael Wayne Farley, age 54 of Ashland City, Tennessee passed away on Wednesday, September 6, 2023. He was born on November 9, 1968 in Nashville, Tennessee. He was preceded in death by his father-in-law Jessie Earl Jackson and sister-in-law Wilmoth McCrary. He is survived by his loving wife Sherry Jackson Farley, sons Jeremy Browning, Christopher Farley, and Nathan Farley, parents Randell and Marilyn Farley, granddaughter Callie Rae Farley, nephew Isaiah McCrary, nieces Brittany Stewart, Brooke Nerves, and Bridgett McCrary, sister-in-law Mary Stewart, and mother-in-law Ruby Jackson. Mike is also survived by a host of extended family and dear friends.

Mike was a loving and kindhearted person, who never met a stranger. Mike made friends everywhere he went, and was never heard saying a negative word about anyone. He just loved and accepted people as they were. Mike loved hunting and fishing, as well as grilling and mowing the yard. He also enjoyed spending time with Sherry going to auctions, flea markets, and yard sales. Another of their favorite pastimes together was to go down to Cheatham Dam and sit by the water. Mike was a hardworking and determined person. Even after losing his leg, he didn't let that get him down. As soon as they gave him his prosthesis, he was up and walking around that same day, ready to get out and mow the yard. To know Mike was to love Mike. There are so many people whose lives he made better by being their friend, son, husband, father, grandfather, uncle, and brother. He was dearly loved and will be greatly missed by all.

The family cordially invites relatives and friends to gather and share stories of Mike on Sunday, September 17, 2023, from four o'clock in the afternoon until eight o'clock in the evening at Spring Hill Funeral Home and Cemetery, 5110 Gallatin Road in Nashville. The funeral service will be held on Monday, September 18 at two o'clock in the afternoon with visiting four hours prior to the service from ten o'clock in the morning until the time of the funeral service. The committal service will immediately follow.
