Rev. Allen & Buni Weller posted:

For almost 30 years Buni and I have had the joy and privilege to be next-door neighbors to David and Connie Powell! What a blessing to have a woman of God, who loves the Lord, with all her heart, soul, mind and strength, and who truly did exhibit loving her "neighbor" as her self! She will be missed as a special next-door neighbor! So we have chosen to plant three trees, because Connie loved the trees that she planted in her yard and the ones that she received from God when they bought the house, especially the huge tree in the backyard that she loved and would constantly tell me how much that tree meant to her! Enjoy your "ultimate healing" Connie! God bless!
