So very sad to hear of Cindy's passing. I knew Cindy when she was very young when her Aunt Barbara and I babysat her and Barry and looked after their parents store in Harper. A live well lived to the fullest who brought joy and happiness to many people.

Cindy was my maid of honour and Rick's cousin. So sorry to hear of her passing. I have attached a photo of Rick and his sister Cathy and Cindy from our wedding photos on July 24, 1982.

Deb Like the salt and green apples of your childhood Cindy shared many memories of that friendship which began with you both so early in life. Without doubt you are still a fondness in her new venture. I am great full for this never ending bond and every friend and family member she brought to our life. John

Deepest Sympathies to the family of Cousin Cindy. Cindy and I (Deborah Hermer) were flower girls for our uncle Jerry and aunt Carol Sproule. Here we are pictured with my parents(Gordon & Wilma Hermer). Our mothers were sisters. Cindy is the pretty little girl in pink. I'm in blue looking up at my Daddy!

Leona; Cindy has many times shared her fond memories of you and Bill. Her love for family was always and never wavering, like her smile it was real. Her strength will continue to astound those who knew her, and she will always live in our memories. John
