He was the kindest sweet man. I work at the main gate at the race track, and I couldn't wait to see him on Saturday's. We would pick at each other. He will be truly missed. RIP MR. NELSON.

He was the best big brother a girl could have...even though he got in the way of a budding romance (it was probably for my best interest)..he was the best ! I could always go to him when I needed advice about anything and his sense of humor was off the charts ! You will always hold a special place in my heart...I love you and will miss you forever ! Your sis
