JAN 22, 1950 - FEB 7, 2024

Danny loved his children and grandchildren more than life. He was an active member of the Knights of Columbus at Our Lady of the Lake Catholic Church in Madison, TN. He enjoyed fishing, collecting trains, and going out to lunch and dinner with many friends and family. He loved to tell a joke or two here and there putting a smile on your face.

Even though he is physically no longer with us, his spirit remains and will be missed and forever remembered.

The family cordially invites guests and relatives to join them for a time of visitation on Tuesday, February 13th, 2024, from twelve o'clock until one o'clock in the afternoon with a funeral mass to follow at Our Lady of the Lake Catholic Church in Hendersonville. The committal ceremony will take place at Historic Spring Hill Cemetery at two forty five in the afternoon. Those who wish to attend the burial will meet our staff at the graveside location on site, which our staff will be glad to provide a map for.

Final arrangements for Mr. Bernier are entrusted to Spring Hill Funeral Home and Cemetery, "Where Nashville Comes to Remember."

My condolences. Dan "Snork" and I made three patrols together aboard USS Will Rogers SSBN659 Blue Crew. One particular memory is from February 1980 when USS Will Rogers made a port call in Portland England. Portland was a NATO base, and there were other naval vessels there among them the German Frigate "Emden." "Snork" lead a tour group of "Chiefs" from the Emden aboard Will Rogers, and I assisted. The Germans invited us over to their ship, and we went the next day. The Germans were very hospitable and "Snork" and I drank a lot of german beer! "Snork" also took great pleasure in hazing the "non-quals!" David Leigon, formerly MT1(SS) USN Gardner MA

Another of my brothers in arms has been called home. Dan and I have been friends over 13 years, We have laughed, cried, moaned in and belly-ached, but all in good nature. As brothers in arms, we continued our long standing tradition of inter-service rivalry of name calling, insults and other high jinks known only to those who have served. As a brother knight, Dan could be counted on to lend a hand for anything at anytime. A fond memory of Dan being Dan was him showing up at the homebound meals pancake breakfast to help out cooking pancakes; however, Dan showed up wearing a Vikings helmet and breast plate. Our pancake breakfasts will never be the same without Dan. Rest easy shipmate, we have the watch.
