Ms. Kitty - We will miss having you as our neighbor. You were always pleased to see us and we appreciated your kind gestures, remembering us on holidays and to always ask about Gus. We loved dropping off flowers and treats for you from time to time and getting to visit, too. When people asked us who our neighbors were, we were always proud to say that you lived next door -- a woman in her 90s who lived independently and still got dressed up every day. You were an inspiration to us and we should be so lucky to spend our later years in that situation. Thank you for letting us be part of your life. -- Darren, Malaka, Gus
