Dear Mathis family - Betty and I worked together at Keystone. Betty was my 'go to' for refunds. She kept the process in order and always made sure the rules were followed. Spunky and full of life. She will truly be missed.

Betty, I never thought that I would be doing this for you. The Betty Neal Mathis we all known and loved was always one tough lady. You were one of a kind friend which did that something for me and also the time Wayne Jr found that something behind your pillow on the couch and it made William turned white and was speechless and it was so funny. You will always be in our hearts ❤️ and you will never be forgotten. Say hi to William for us. Your forever friends Wayne and Linda Hackney.
