My name is. Tamayah Bradford I'm very close to Philippe Woodard. Because he was my friend since kindergarten and he had my bag and not yet since he passed away. I've never been the same Since he was alive. And it made me really sad because I couldn't make it to his funeral Because we had school and When my teacher's broke the news out. I thought it was a joke but when they started crying. I started crying too and none of my friends had. I had to go to counseling because it was really that bad. And if Felipe is hearing my words right now, I hope that he has a good life in heaven. I love Felipe so much as a friend.
