I have so many memories of him it's hard to just pick one. I remember so many nights, Fourth of Julys, and laughs I shared with him. If only I had known that one day too soon it would be the last. I adored Jeremy with my whole being and it all seems so unreal that he's gone. He was a second father to me and my siblings always treating us like his own even when he didn't have to. Nothing will ever replace the bond and relationship I had with him. I will miss you so so much Jere. ❤️
