Celebrating the Vibrant Life of Lanisa Lynell Dorse November 10th, 1969 - February 12th, 2025

With hearts full of love, we celebrate the beautiful life of Lanisa Lynell Dorse, who graced this world on November 10th, 1969, in Nashville, TN, and filled it with joy until February 12th, 2025.

Lanisa was a woman of many talents and passions. A lifelong learner, she achieved her master's degree from Tennessee State University in 2015, inspiring those around her with her dedication to education. Before obtaining her master's, she started working for State of Tennessee, Department of Children Services and became an administrative officer later being promoted to lieutenant and advocate for children.

She had an infectious humor, and she was never at a loss for words. You may not have liked what she said but you knew where you stood with her. She was kind, caring and loving. She would give you the shirt off her back and if she did not have it, she would go buy it. Known for her zest for life, she embraced every moment with enthusiasm, whether she was immersed in a good book, exploring new destinations, or sharing her love for music.

One of Lanisa's defining adventures was her time as a DJ, where she spread joy through beats and melodies, bringing people together on the dance floor and creating unforgettable memories.

Family was at the heart of Lanisa's world. She was the beloved daughter of Lemmie and Margaret Dorse, and a devoted mother to her step-son, Malachi Elder; wonderful connection god-children, Andrika Dansby, Joshua and Jayden Torrvellas. She shared a special bond with her siblings, Sheila Dorse Winfield, Steven (Renita) Dorse, and Kendrick (Uvonda) Dorse; bonus siblings, Pertrina Pigrum Moreau, Kavell Pigrum. As an aunt, she cherished her nieces Alyssia Margaret Jenkins, Megan Olivia Dorse, and Shakara Partinger, and nephews Joshua Lemmie Winfield, Kaleb Darnell Dorse, Gavin Kendrick Dorse, Joshua Partinger, Isaiah Harrison MD, Steven (Hillary) Dorse II, and great nephew Grant Issac Dorse; bonus nieces and nephews, Rian Carter, Kamora

Sis you are my hero. Being with you in the hospital for 3 weeks, showed me your resilience in dealing with your pain along with creating memorable moments. I really liked your comment to the nurse after putting on a pull up given to you before CT scan. You said to the nurse , "Is this my hospital thong?" I hope you like the spray with blue large spray with blue ribbon sent for you from your big sis, Alyssia, & Joshua Lemmie Winfield. You really surprised the family at 2024 Christmas. Always such a giver & big heart. I found myself even missing your sarcasm. You really teased me, but I knew it was in love. I am glad you are in no more pain or suffering, screaming for your " dellata " - the only intravenous pain meds through IV , where you got some relief.
