David John Crave

MAY 25, 1970 - FEB 22, 2025

David John Crave, 54, of Goodlettsville, Tennessee, passed away on February 22, 2025. He was born on May 25, 1970, in Beloit, Wisconsin, to the Lynn Klaetsch and the late John Victor Crave.

In addition to his mother, he is survived by his children, Timothy (Emily) Crave and Morgan Crave; grandchildren, Makalin, William, Zachariah, Angie, and Thaddeus; sisters, Lisa Crave and Kimberly (Matt) Dill; nieces and nephew; and his girlfriend, Jenessa Elkins.

David was a dedicated hard worker. He owned his own company, Crave Construction, for many years and then went on to work at the Nashville Airport as a Maintenance Specialist for 12 years. He was a loving dad and grandfather and was very proud to be a Marine father. He loved spending time with them whenever he could. He loved to go fishing, working in his vegetable garden, woodworking and fixing classic cars. He had a joy for riding motorcycles and even planned on purchasing his own Harley soon. He will be deeply missed by all who knew and loved him.

God truly blessed me with David as my big brother! He was always there for me no matter what. He protected me, taught me things and was my friend. David never hesitated to stop what he was doing and help others. He loved his family and friends and put them before himself. I will forever love and miss him.

I've had the great pleasure and honor of working with David for the past 12-years at the Nashville International Airport. He was always a professional and he always took great pride in every task he performed. I greatly appreciated his smile, his friendship, his support, and the love he had for his family. We are a better airport for the time he shared with us. May God continue to bless David, his family, and his friends. My prayers are with each of you during this difficult time. The day this picture was taken, he and I were in the Bahamas. We had a long time discussion on the color of water in other areas because he believed/ thought all the water on commercials was photo shopped. "Water can not be that blue" he was shocked to see it actually was. He had so much fun on that cruise and he was so relaxed. I saw a side of him I hadn't seen in years.
