My political crusher! Carolyn was so Liberal that she expressed her feelings about everything. I always told her that she can believe in what she wanted to and I'll believe what I want to. Sorry to hear of her passing. God bless her family with wonderful memories of her. Im sure she is enjoying her reunion on the other side of the veil. Love n hugs to your family. Until we all meet again. A hui ho.

Carolyn had a great sense of humor, her laugh was infectious, she was a very generous person, who always made you feel welcome in her home. I will never forget our visit, when she and Darrell took us for a wild ride on their boat, fixed good food and slept on deck. Carol took me for a grand tour of Nashville, good home cooked steaks on the grill and listen to her stories regarding her numerous ancestor search. She will never be forgotten and will always have a place in my heart. Geneva Ray & family.
