Treasia Mae Guy

Treasia Mae Guy, Always the First to Hug You
June 2nd, 1954 – August 21st, 2025

Our family matriarch, treasured mother, sister, wife, grandmother, and friend, Treasia Mae Guy left us on August 21st in Old Hickory, Tennessee, after a long illness. She was 71, yet her kind spirit still feels close and bright.

Born in Nashville on June 2nd, 1954, Treasia grew up seeing every gathering as a chance to pull people closer. From an early age she carried an easy laugh and a natural talent for looking after anyone who crossed her path.

If you ever tasted her homemade chili or her famous “sketti,” you know how she showed love through food. At Christmas she decorated every corner, planned the menu, and made sure cousins, aunts, and newborns all shared the same table.

Away from the stove she painted ceramic keepsakes, filled adult coloring books with bold shades, and never turned down a round of rook or a loud game of Pictionary.

Cats curled at her feet while Hallmark movies, crime shows, or a good mystery novel played nearby, and music drifted through the house.

What we remember most is that infectious laugh and the way she made each of us feel seen. Kind, supportive, empathetic, loyal, and generous—those words follow her name wherever it is spoken.

We will keep her recipes, her hand-painted ornaments, and the warmth she placed in every room, and we will pass them on just as she passed on her love. Rest easy, Treasia; your joyful spirit lives on in every shared meal, every family game night, and every burst of laughter that echoes through our homes.

Those who have passed on before her are her parents, George and Irene Hayes, and brother, Anthony Hayes.

Those left behind to cherish her memory are her loving husband of 55 years and 8 months, Danny Guy, children, Patrick Guy and Angela (Jim Sawyers, Jr.) Guy,

Our sincere condolences from Chris & Debby Stuker. We always keep in our memories all the work that she did to make the Cousins Reunion so special and to bring the family together. We did have a grove or 3 trees planted in her memory, so she will be here forever in memory and in our hearts. Much love and hugs long distance from California.

Although I never had the pleasure to meet Mrs. Guy, I feel like I know so much about her through her son, and my dear friend, Patrick (Pat). His character and his life reflects the love, nurturing, and wisdom that she poured into her children. May God bless and comfort the family in the days ahead, and my God's children rejoice that Treasia has been welcomed into her eternal home.
