Faye was a wonderful friend of mine. It hurts my heart to have seen this obituary. I tried calling her but I know something wasn't right as her phone has been off for some time. I miss talking to her about her family and grandkids. I know she is missed by many. I pray you are flying high with your siblings and got the cutest shoes and clothes Jesus can provide for you. You used to love when I'd bring you clothes. I know how much you cared for Rck and him you. i hope you are both dancing with the angels. But for now just know we will never forget you and we will see each other another day. RIP MY FRIENDLOVE YA GIRL, Angela Presson
