John was such a bright light to everyone. He loved many things. but he had some favorites such as music, classic cars and modern cars, Halloween, Christmas, his birthday and most importantly the Tennessee Titans. He made the best Santa Claus ever and brought so much joy to others. He had the best sense of humor and loved picking fun with family. Most importantly he loved Jesus. The world was a much better place with him in it.

He will be greatly missed.

I will miss my Buddy. I think about all the silly little sayings he had and they make me smile and cry at the same time. When I would walk in he would say "Sheila!" Then he would rub his hand across the top of his head and say "I got a problem" because he needed his hair cut. He was such a sweet heart and always brought a smile to everyone's face. He was an Angel on earth and now he is a beautiful Angel in Heaven. Love you John

John was such a fun and loving cousin! I will miss him so much! He would always remember everyone's birthday, and he loved the birthday parties! All of the cousins always had fun playing outside together! I will always love you! From your cousin Kathy!
