I have so many fond memories of Grandma Wilese. She was the grandmother that when mom and dad said no, we asked her:) She was so sweet and kind to my brother and I always. My favorite memories of her was the homeade peach ice cream she used to make us. Sh Christine Pridemore

Even though I never met Welise, I feel as though I did. Jonathan and Christine always spoke so lovingly about her. She was a wonderful wife, mother and grandmother. She was truly loved by everyone around her. Denise, there is such a special bond between Darlene Pridemore

You are a wonderful woman, so sweet and caring. You always had a way of brighting a persons day, you were always smiling. You are the one who taught me how to paint and who showed a person how to love, there was always a sparkle in your eye. You were more Jonathan Pridemore
