I have very fond memories of my aunt Faye and will keep those in my heart. She always showed me unconditional love and even though we had not seen each other in a while I did get to talk with her a couple of weeks ago. She will be missed. Patricia Crook Matheny

She was always fun to be around when I was a scrawny little kid. She would make me laugh and I am glad she was my aunt. I am sorry that into my adult years I did not see her as much. The reunions we used to have at Shelby Park stopped many years ago and as Mary Jane Crook

I met Mickey 40 years ago and she always brought a smile to my face. Her ability to bring joy to all around her was one of her greatest gifts. One thing for sure if you were a friend of Mickey, you were loved and supported in what ever way you needed. May Pat UpChurch
