Well Daddy this is your son Quintin I been thinking about you lately you were the best Dad ever we all missed you very much you had a birthday last month I had momma over yesterday she's not doing good these days she can't remember things and doesn't speak much I don't wish bad things on no one but she is very only but from time to time I pray to god that she's not doing good and very lonely and living pretty much alone for many years and she has told me she wants to be with you in heaven so that's what I pray to god for her to be taken to Daddy.Love you,your son Quintin.
