David & Nancy, I know Gammie is rejoicing at finally being home! However, it is so painful to see them go. I felt like I sort of knew her...Nancy was always telling us "Gammie stories". She sounded like an amazing wife, mother and grandmother. I will Sandy King

We read the obituary of your mother. What a splendid example of a dynamic Christian and outstanding minister's wife she was. Her obituary reads like the history of Methodism, especially in the south. When we read it we were inspired by such devotion a Dr. and Mrs. H. E. Russell
