Russell, I am so blessed for having had the opportunity to care for you. Thank you again for your service to our great country! You were always very kind and respectful to me, even when I knew that you were in a great deal of pain. Even though I did not know Teresa Collins

I'm so sorry for the loss of a wonderful young man. I enjoyed watching him play football in high school, and enjoyed his visits. He was always so kind to my family. My heartfelt prayers go out to all of his family. Diane Langford

When I think of Russell, I remember how strong and intimidating he was to me when we were young, how blessed I was as we wrote each other while he served during Desert Storm, and how much I loved to see his amazing smile. His whole face lit up when he saw Jason and Connie Mullins

Russell, I can't believe that you are gone but I know that I will see you again soon. We lived next door to one another practically our whole lives; at least on the same street. I will never forget the camping trips, football days, black forest cakes, cho Rodney Dill
