Kristy this is your sister mom, Deidre. Please pray for Danica and Rachel and for what they did to destroy my family? Please guide our girls into repentance for all they robbed from my grieving family? Please let them know a child is in a hospital still because of their choices? Betty, Please teach those girls right from wrong? Please teach Vickie? Please teach Bradley? Fred, please send angels to help Rach not lose another mom and another dad? Please save Dani's kids before it is too late? Please teach Manzel to take care of his own family and not threaten an autistic teen defending his elderly disabled mom. May God help you all.

Hey Mom, it's Danica. I'm not even really sure why I come here anymore. Every once in awhile I just google your name and of course, this is the first thing that pops up. I hate it. I wish you were still here. I feel very alone now days. I know my kids would sure love to meet their Grandma Kristy. I have 3 kids now. By now, you have been joined by Mamaw. I hope you, Mamaw, Grandmother, Granny, and Fred are up there having a great time. Nothing is the same without you here, even after 13 years. I really wish you knew how much you were actually loved and how much your loss made a difference. Until we meet again Mom, I hope you are dancing in the sky. I love you so much.

Learn right from wrong. Guide your sister into a better life than yours. She was your mama's baby. Now, you have taken another mother away from her and another dad. A child is still in a hospital because of what you asked your sister to do for your kids. Have your hubby take care of his own kids and not threaten my autistic teen for defending his elderly disabled mom you robbed and had swatted! God sees too. He sees you.

Oh Kristy please forgive me. I feel like I have failed you and GOD. We were so close when you was a child. You were so sweet and so beautiful. And then, as we all do, you grew up and went your own way and we grew apart. And now your gone, so suddenly take William T Terry
