Betty was one of my best friends and we had many good times together. We took many trips and she was the best traveling companion anyone could want. She was always agreeable and made suggestions that enhanced the trip. I have lots of good memories to I Pat Stallings

The whole Richards family was always one to watch and be amazed at the creativity, fun, humor and just plain goodness that always seemed to come out of the house on Moran Drive. Betty was the rock of the whole crew and I think the most telling thing about Ralph Bobby Rogers

Dear Betty, I really enjoyed getting to know you through the years since Glen and Ann got married. We had some wonderful trips together. The lake cabin in Stone Mountain, Georgia, Lynchburg, TN and, of course, New York City when the Nashville Symphony played Mary Wanner

Ann, it was a shock to get the news. I am at a loss for words but know the deep hurt of letting a parent go. She was such a fun person to talk to. I will tell Bobby and Weasy, but I don't trust my emotions just yet. Thank you for remembering to tell us. Letting Ginny Rogers Layman

I have fond remembrances of Betty. We shared a great love of nature. I just returned last night (5:30 p.m.) from a Road Scholar week - "Springtime in Kentucky, Nature's Alarm Clocks." She would have loved learning about the local birds, wildflowers, rocks Shirley Keyes Manaley

Betty was my best friend during our high school and church school years. We enjoyed each other's skills at ping-pong; we always met at the church to play where we were both leaders in our Sunday School class. After we graduated from highschool, there was Veda Mae Bateman, Ph.D.
