I met Ginger while my sister was a resident at Elm Croft assisted living in Lebanon. She graciously allowed me to do her shows with her in the Lebanon area. We had the best time everytime we got together. We talked about what a blessing it was to enter Louise Yates

I would like to let Ginger's loved ones know what a blessing it was for the residents of Broadmore Senior Living to have known her. Ginger's good nature and enthusiasm was contagious and the residents of our Memory Care couldn't have stayed seated during Ashley Briggs Polis
