My thoughts and prayers go to the family..Losing someone you love you never really understand it. It is always there in your heart more like a heart ache..They say time heals and in some ways it does...after time passes it doesn't get easier to accept bu Donna Manessis

Mommy, You asked us many times over our lives if we thought you were beautiful, yes Mommy you were. You asked us who you would live with, when you were older, and at some point it was with each one of us. You asked us if we thought you were funny, and y Jeannine Furnaro
