Dear Family, The first time I met Loreda I liked her. She was always just Loreda and a sweeter person you could never meet. I don't think I'll ever eat another Reeses candy bar that I won't think of her. She loved her Reeses. We will all miss her sweet s Barbara McDaniel

To the family of Loreda, I send my heartfelt condolences. I knew Loreda very well, I worked for and with her. I was with her so many times and she fought a good fight. She was strong for so long. She loved her Dad dearly now she will see him again. To Sus Susan Isaac

Even though I never met Loreda, I felt as if I knew her through her close friend, Carol Simmons. I'm sorry I never got the chance to meet such a wonderful and courageous person, she has inspired me without her knowing it. Thank you, Loreda!! Christie James

Loreda was a person whom you always welcomed seeing at work. She always had a smile on her face and always made you feel good. I know her family had an even greater love of her loving ways. Your family is in our prayers. Nancy Bassham

I was so sorry when i got to work today to here that Miss Loreda had passed. I can truly say that even though I did not have the pleasure of having known her when she was healthy, I considered her a good friend, not just a resident of IMHR. I am a much b Sheri Birdsell
