Mr. Johnny. I am so sorry for your passing and how hard your last days were, but I rejoice in the fact that I know you are now in heaven reunited with your first love. Your sick earthly body has no bounds on you now and life is forever and pain free. Y A family friend

I worked with Johnny Hargis, he had the biggest of heart of any one man that I had ever known. Such a loving and caring person. I will miss Paw Paw as we called him at work so much, the light in codes is just a little dimmer without him. Barbara Sloss
