Dear Annelia,Bobby was a special man. I really love the way he always had a smile and a kind word. I especially remember when he stood up and spoke after the Vision that he attended. He will be sorely missed on earth. I am sure that the angels are rejoici Joy Sloan

Annelia I will miss Bobby more than words can express. He brought so much joy to so many people I hate the thought of never being around him again.The only thing that brings joy to his friends now is knowing that he is with our Father above. Love You More Donna English
