Well 5 years later and now you are a great grandpa. I hope you have got to spend some loving moments with my sweet baby girl before she enters this world. I love you and miss you still.

Thinking of you today. I miss you even if you were grumpy at times. I hope you watch me as I walk down the aisle this May. I would have wanted you there if you could have been. Love you. Ashley

Vernon and Mary were my sister, Pearl's grandparents. She loved them both very much. Vernon came to the house last year with Pearl for a big family dinner and enjoyed himself with our family while he was there. Rest in Peace. Darlene Burgess
