Words alone cannot express our sympathy on the death of James, beloved husband, father, brother, our cousin and friend. To say that his time with us was far too short is an understatement. The reality is that all who loved and knew him will sorely miss hi Grat and Sandra

James was one of the great neighbors that we all wish for and I had the pleasure of having "Plumber James" living just across the street for many years. He and Wanda have been a joy to Stuart and me and we are grateful for their love and friendship. He Sally Tathwell
