It has been many years since I served as a Vandy Divinity School student at Tulip St. I sang in the choir which Frances led at the time. She was a very special woman and musician, and I will always remember her kindness and what a blessing she and Bill Barbour were to me. They were like loving grandparents! I know she passed some years ago, but as I am learning of her legacy online, I wanted to give thanksgiving for her life and generosity.

Having known Frances Sutherland. Just about all of my life. My family joined Tulip Street Church Easter of 1956. And I just loved her. She went on to be my Choral teacher for four years at East Nashville High School. I sang in the choir at Tulip at the age of twelve. Until I married in Dec of 1969 in the chapel at Tulip Street. I was sad to learn of her death. She was always smiling at me and often called me "Suga" . Happy memories of a wonderful teacher and great Christian woman. God Bless Her

Ms. Frances was one of the kindest people I have met. A bad day at Grace Manor could be wiped away by hiding out in her room for a few minutes. It just won't be the same without her.

My friendship with Frances began in 1957 when we started teaching at East Nashville Junior High. It continued later when we were on the faculty of East High. For many years we were fellow members of the Upsilon Chapter of ADK. What wonderful memories I have. How fortunate are the thousands of East Nashville "kids" who had Frances as their choral teacher. I extend sympathy to the younger generations of the Southerland family. Sincerely, Pat Berry 215 Berry Rd. Dickson, TN 37055

I loved Miss Southerland. I had her for chorus while I was at East Senior. She always encouraged me and my musical talents. She let me accompany the chorus for my senior year. She will be missed.

I remember Miss Southerland as a kind and sweet lady. I had the privilege of being in her class for piano and chorus at East in the early 80's. I remember a time I had to sing in class by myself with her playing along at the piano. Standing there next to her and the whole class watching I was so nervous but she made me feel at ease and told me I did a good job. My thoughts and prayers are with you all at this time.

We would like to send our condolences to the Southerland family. What a great lady!! She had such a positive influence and touched so many lives in her years of teaching. We need more like her today. When we first bought the property next to the Southerlands a man came from N.E.S. to hook up the power. He asked me if Mrs. Southerland still lived over there. I told him yes she did. He told me "She taught me when I was in school. She was always my favorite teacher." We love y'all God bless. Tim Watson and Family
