I have so many great memories of Sue. Sue was not only a wonderful sister to me, but also part mother. I remember one instance when she had hid in an apple tree late at nite. My Brother and I had been down at our Aunt Annie's house watching Shock Theater with her, Gene, Larry, and Diddy. After that scary show was over, Doug and I had to walk down a very dark and scary road by the apple orchard to go home. We got about 3/4's of the way home when we heard growling, howling, and could hear the shaking of tree branches. We took off running as fast as we could, knowing one of those monsters from the TV was about to get us. We ran in the back door of our house, finally feeling safe. Sue followed about 3 mins. later, laughing so hard she was crying. What a Sister.....One of a kind!!!! Lovingly ~ DEB
