“ Madelaine worked with my mother at the VAMC in Nashville for many years. She was a good friend to us in times of need even taking in our kitties and dog at one point when my mother was too ill to care for them.

When my mother was in rehab after hip revision surgery, Madelaine took me to see her each day and brought me home at night. She brought my mother Krispy Kreme doughnuts to eat and made sure I ate too. She also gave us a washer and dryer so that I wouldn't have to go to the laundromat.

She took us to Springfield to pick up our then new kitten. She also took us to pick up our then new puppy after our Hurricane Katrina puppy passed away suddenly.

We will always remember her many kindnesses to our family and are blessed to have known her and been close friends for over 40 years.
